JOBS

First Level
All farmers
Income: 5*3 = **15**
Subsist: 4

--

Second Level
Base Requisite: 3 education, any ethnic group or political party

Maid
Income: **18**
Narrative for players: Your education and background have helped you develop connections to land this job.
Be careful about who you share your luck with. Helping the wrong people could mean that this is the last opportunity you get to reach higher ground.
Hierarchy of preference:
1. Sex - **F**
2. Ethnicity - **Hapsburg**
3. Politics - **Democratic Worker's Party**
4. Stigma - **>8**

Mason
Income: **18**
Narrative for players: Your education and background have helped you develop specialized skills needed for this job.
Now that you've reached higher ground, be careful about who you help. Giving the right people assistance may open up more opportunities.
Hierarchy of preference:
1. Sex - **M**
2. Ethnicity - **Hapsburg**
3. Politics - **Democratic Worker's Party**
4. Stigma - **>8**

Shopkeeper
Income: **19**
Narrative for players: Your education and background have helped you achieve new economic stability.
Now that you've reached higher ground, be careful about who you help. You wouldn't want any social stigma getting in the way of your next opportunity.
Hierarchy of preference:
1. Ethnicity - **Hapsburg**
2. Politics - **Democratic Worker's Party**

3. Sex - **M**
4. Stigma - **>8**

Foreman
Income: **20**
Narrative for players: Your education and background have helped you develop specialized skills needed for this job.
Now that you've reached higher ground, be careful about who you help. Without prestige, your education and skills will only get you so far.
Hierarchy of preference:
1. Sex - **M**
2. Ethnicity - **Hapsburg**
3. Politics - **Democratic Worker's Party**
4. Stigma - **>8**

Third Level
Base Requisite: 7 education, right ethnic group or political party, 2 stigma or less
